Fetal Bovine Serum (FBS), USDA Approved Origin

Catalog: OM296349

☐ 500 mL

Product profile

Product name	Fetal Bovine Serum (FBS), USDA Approved Origin
Product description	Our FBS is produced from raw material obtained from approved suppliers, per USDA regulatory procedures. The raw serum was collected and initially processed in USDA-APHIS approved facilities. The material was imported and is subject to safety testing by NVSL prior to release for distribution within the US. Full health, traceability, and required regulatory documentation are maintained under US quality systems. The serum was processed, filtered, and finished in the United States.

Key Feature
